Holiday Homework -Class II

Dear Students,

Let your Holidays be filled with loads of fun.
Enjoy with your friends and family.

✚ Make someone smile brighter and let you be the reason for his/her smiles.

✚ Make books your lifelong buddy. We will be waiting for you to share some stories that you will read during the vacation. It will be lovely if you can make a book review too.

✚ Be a green crusader and spread the message of saving environment to all in your own creative ways.

Instructions:- **Holiday Homework will be graded.**

- Holiday Homework for all the subjects is to be done in a common file, [A-3 sheets compiled together].
- The cover page of the file should be attractive, colourful, and decorative.
- Paste relevant pictures according to your topics.
- Do not use **thermocool** because it is harmful for the environment.
- Only use waste material for models and files.
- If you are visiting any hill station, avoid using /carrying mineral water bottles as plastic is cancerous to our health. Use natural spring water available there.
