SEC. SCHOOL
HOLIDAY'S HOMEWORK
CLASS V**

The summer days are back again!!
And it's vacation time again!!
There's sun and shade
And water to wade
Time for some fun and frolic
With ice creams to lick
Activities to indulge in
Places to explore
Yes!! It's vacation time again!!

Studies are important for us to gain knowledge and sports are important to keep active, healthy and learn various personality traits . With this thought in mind, this year we teachers have designed your holiday homework to keep you actively and fruitfully engaged during summer break. We have selected **‘Viksit Bharat-2047’** as a theme of your holiday homework.

India, as we know, is a land of diverse cultures and beautiful natural landscapes. **Andaman and Nicobar Islands** are integral part to showcase our Indian culture and tradition.

Children, the summer holidays are the best time for you to pack and unpack your bags, enjoy rides or board flights and be a globe trotter. It’s time to enliven your spirit of adventure and give vent to your imagination and virtualize your creativity indoors as well as outdoors.

SOME SUGGESTIONS TO MAKE YOUR VACATIONS EVEN MORE SPECIAL AND EXCITING

Columbia believes in Sustainability. Make sure to use waste materials (pencil peels, broken bangle pieces, seed coats etc.) Use your own creativity while doing your homework. Authenticity and creativity of your work will be rewarded.

1. Learn a new sport or skill and engage in physical activities.
2. Learn dignity of labour by doing things yourself.
3. Plant a sapling and take care of it.
4. Spend time with your grandparents.

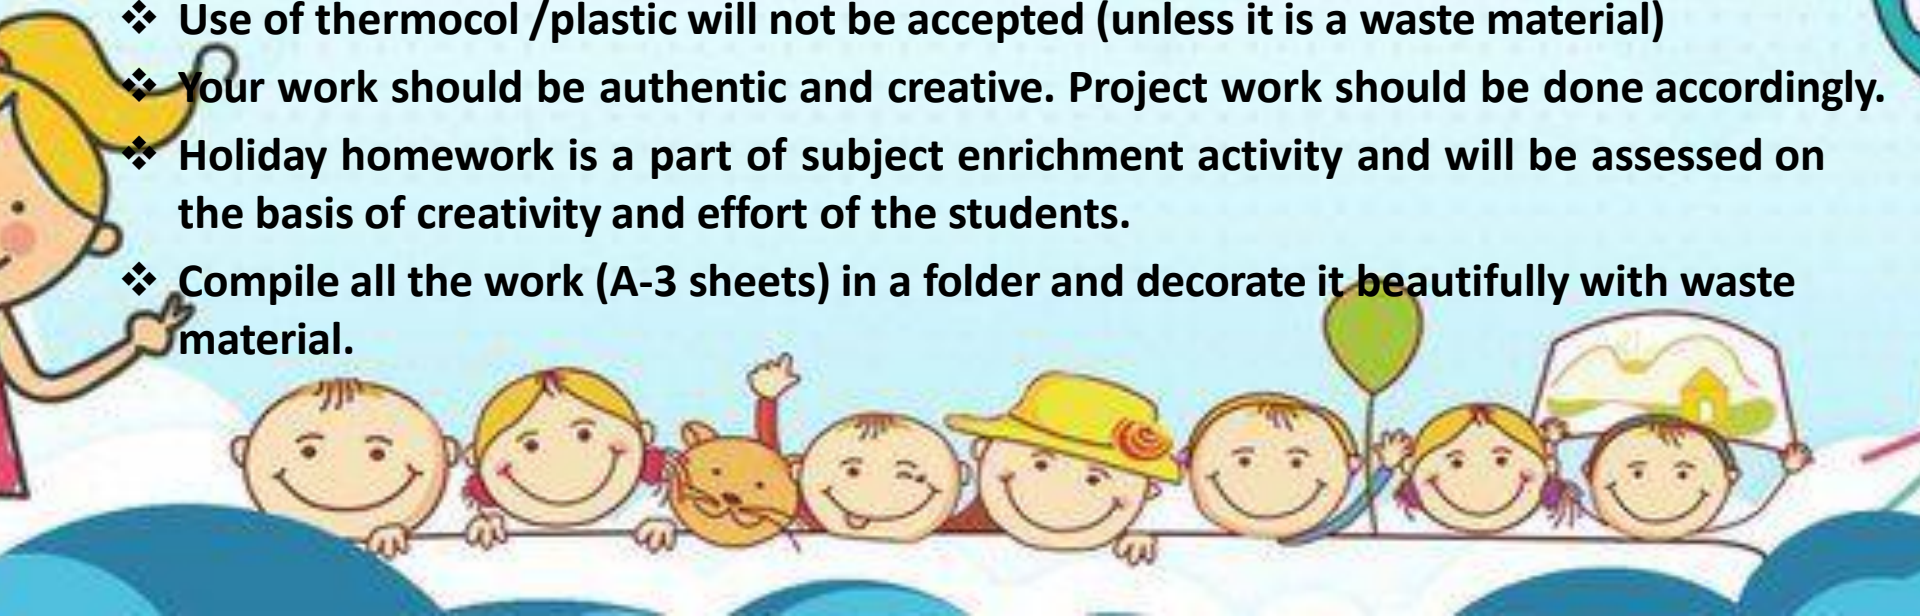

General Instructions

All the activities have been designed to ignite the thought process of the students and to make them aware of the global concerns. Be a Green Ambassador and create your own A-3 size sheet with the help of waste paper/cloth and decorate it well with waste material for e.g. bottle caps, refills, leftover pencil or crayon, lace, button, bangles, toy parts etc.

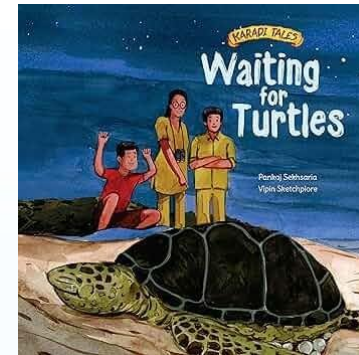

- ❖ The whole holiday homework is to be done by using waste material or the material which is readily available at home.
- ❖ There is no need to buy anything from the market.
- ❖ Use of thermocol /plastic will not be accepted (unless it is a waste material)
- ❖ Your work should be authentic and creative. Project work should be done accordingly.
- ❖ Holiday homework is a part of subject enrichment activity and will be assessed on the basis of creativity and effort of the students.
- ❖ Compile all the work (A-3 sheets) in a folder and decorate it beautifully with waste material.

“The greatest threat to our planet is the belief that someone else will save it.”

It is our duty to save our Mother Planet. As it is facing many threats like global warming, green house effect and climate change due to our careless activities. This summer vacation let us read any one of the given books on the environmental issues of Andaman & Nicobar islands

- Waiting For turtles
- First Step
- The Last Wave
- Islands in flux

Then make a video of yourself (duration 2 - 2.5 min) explaining the problem the book is addressing to and also suggest the steps you can take to save the environment.

Newspaper Reading

Read the newspaper daily. It will broaden your outlook and develop your language skills.

Find meanings of five new words daily for two weeks and make sentences with them in a self-made dictionary.

Andaman and Nicobar islands have a very unique and fragile ecosystem and a rich variety of flora and fauna. Our own Prime-Minister Modi ji got enthralled by its beauty. This summer vacations let's explore its beauty by visiting/collecting knowledge about its warm tropical climate and high relative humidity which is conducive for good plant growth. The marine life in Andaman and Nicobar islands is quite diverse too. Now, research on the 'Flora and Fauna of Andaman and Nicobar islands and create your own Junior Magazine on it. Your magazine should consist of various articles from newspapers, magazines internet pictures, etc. on the same topic using your creativity. Present the magazine in a beautiful way.

“There are no foreign lands, It is the traveler only who is foreign”

Andaman and Nicobar Islands, a Union Territory comprising of 571 dazzling Islands is broadly divided into two major islands.

- *Andaman Islands*
- *Nicobar Islands*

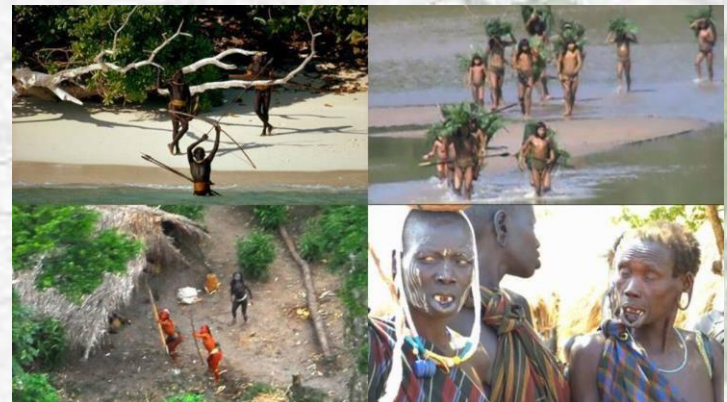

Andaman Island has 4 Negrito Tribes (GreatAndamanese, Onge, Jarawa, Sentinelese) whereas Nicobar Island has 2 Mangoloid Tribes (Shompen and Niccobarese).

Find out the names of these tribes along with their population. Write the population in Roman Numbers and make a beautiful wall hanging using sea shells, pistachios covers or any other seed coat.

63 years old woman who survived in world's most dangerous tribe named Madhumala Chattopadhyay. She is an Indian Anthropologist who specialized in the indigenous people of the Andaman and Nicobar Islands. She's the only woman who made peaceful connection with the Sentinelese tribe.

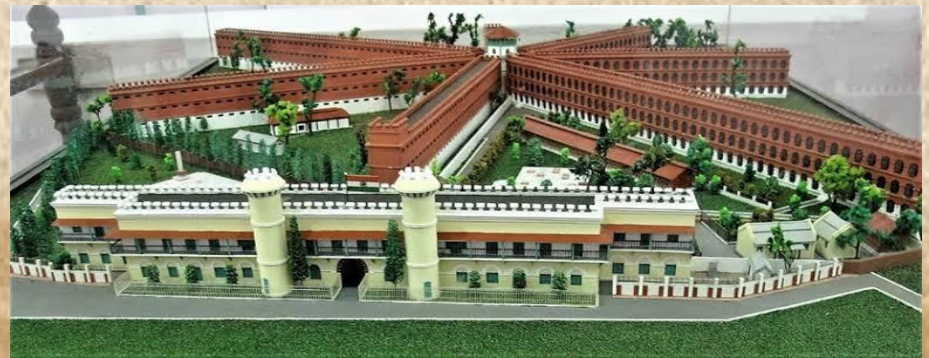

Your demeanor can beguile someone by your mere presence too. Let's explore our demeanor and work for its enhancement and eradicate the vice values from us.

Write down a biography(1000 words) about Madhumala's relationship with Sentinelese tribe and make a beautiful collage using colourful pictures of her while interacting with them on A3 size sheet.

The Cellular Jail is one of the most popular tourist places to visit in Andaman and Nicobar Islands for sightseeing. It was used as a place to send people to exile, especially freedom fighters and political prisoners, this prison is also known as Kaala Paani. It stands as a remembrance to the lives of the freedom fighters and offer a glimpse of freedom struggle to visitors. Now let's explore more about this jail and do the following tasks.

- Prepare a 3D model of Cellular Jail.
- List some of the freedom fighters that have been captured here and their journey of struggle.
- Find out why surviving in this jail is considered the toughest. Also explore about its architecture, connectivity etc.

“Success doesn't come on a platter”

Hardships of life are every where. You need perseverant hard work in order to taste the sweetness of success.

Andaman and Nicobar Islands have been the home for many tribes like Onges, Jarwas, Sentinalese, etc. Mohan Chand Sharma was the first tribal MP from these islands. One more such successful tribal personality is our honourable president, Mrs. Draupadi Murmu. She became the first tribal woman to become the President of India. She belongs to Santhali tribe of Odisha.

Find out about her life journey and present a bio sketch of any one of them in the form of beautiful wall hangings. Enhance its beauty by pasting relevant pictures.

“Great people do not wait for others to start a revolution, they start on their own.”

Such is the story of Mr Anand Maligavad, the Lake Man of India. He, instead of motivating others, took an initiative to save the lakes of Bengaluru himself.

Find the names of Nest Man of India, Sparrow Man of India, etc. Make a lap book of their contribution and the awards they got.

Also write the way they inspired you in your life and how did that inspiration change your perspective in daily life.

Sustainability and development can go hand in hand

Salaulim Dam lies on the Salaulim River is massive and also capable of holding a visitor's attention.

The pristine beauty and unique natural aspects have perked up the living standards of this place.

This development brought laurels to the lives of these people. Make a working model of this dam by using waste material.

“There is no one solution to all problems. Its the problem itself that can lead to the solution.”

Every problem has a solution. It may sometimes just need another perspective. We understand that in order to become a great artist you need to bring your art file in a separate bag/poly bag.

Plastic bags can never be the solution of your life as our school is working to proclaim as a plastic free zone. Lets create our own solution by making an art file cover with the use of old clothes/ bed sheets at home. And write yours name and school's name over it by using thread work.

Take measurement of your art file for this.

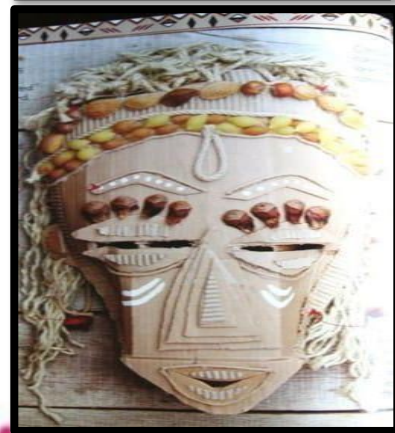

"The traveller sees what he sees.

The tourist sees what he has come to see."

It's all about your vision. Andaman and Nicobar, a multicultural yet mysterious Island enriched with lots of flora and fauna is shining day by day like a diamond and to enhance its glory, lets join our hands and make some beautiful tribal masks using cardboards, paint colors and sketches, etc.

Material required:-Waste Card board, Feathers ,Colour papers, wedding cards, glitter sheets, sticks, fevicol , decorative materials,etc....
