CIRCULAR

Dear parents

Columbia School is organizing a SPELL BEE TEST on 18th July for the classes (I-XII) in the school. It is a unique educational activity that combines education, fun and learning. The objective of organizing this test is to improve the spelling skills of the students that remain neglected at times while fulfilling the higher goals. It adds significant educational value to each student's education.

You are requested to motivate your child to participate in this competition and prepare for it seriously. Keeping in mind the interest of the students, a list of 100 or 150 words will be given to the students just to make them familiar with the pattern of the test. The second and final round of the competition will be a SPELL BEE QUIZ whose date will be announced once; we have a list of those who qualify this competition.

Looking forward to your constant support
